CBS Corp. signed a 10-year lease for 34,622 square feet at 1401 W. Cypress Creek Blvd. in Ft. Lauderdale, FL.

The second-floor space will be occupied by CBS Interactive, the Internet division of CBS Corp., beginning in January.

The two-story office building totals 76,703 square feet in the Crown Center business park. The owner, Midgard, completed a comprehensive renovation in March that added the building's second floor and positioned it for LEED Silver certification, which is pending.

Ronald A. Schagrin, SIOR of Commercial Property Group represented landlord in the lease. Jim Cahlin of Cushman & Wakefield represented the tenant.
